## STEAM/SOLAR DEALER QUESTIONNAIRE

Thank you for your interest in becoming a steam and/or solar dealer. Due to the large amount of dealer inquiries and the fact that we do not like to offer dealerships in the same proximity of an established dealer, we have incorporated this questionnaire. Your answers will help us determine your qualifications in becoming a dealer. Please keep in mind that a dealership may not be offered for location reasons even if you are more than qualified to be a dealer for our products. Thank you again for completing this questionnaire and for your interest in our products.
